

Consideration for 2nd Vice President of NYSWYSA BOD

Roger:

Hello. I understand that there are NYSWYSA Board of Directors positions up for election this fall. I would like to apply as a candidate for the position of 2nd Vice President.

I have attached a list of my soccer-related credentials and experience, which include:

- Successfully managing many soccer organizational roles, including my current position as the administrator of the NY-West Girls Olympic Development Program.
- Over 20 years of coaching at premier, travel, club and recreation/CYO levels.
- Played soccer all my life, from a youth growing up in Germany, to four years at Franciscan University of Steubenville and the last 20+ years in various local men's leagues.
- My wife and I have three children, who have collectively competed at every level of USYSA soccer (state, regional, national and international levels) over the past two decades.

I appreciate your consideration of me as a nominee for this position. Please advise if there is anything else I would need to do to be a candidate for the position of 2nd Vice President of the Board for NYSWYSA. I look forward to hearing from you.

Sincerely,

Michael J Purtell
