

Victor Soccer Club Tryouts!

Why Victor Soccer Club Travel?

Standardized style of soccer training for all our age groups created by our Director of Coaching and Hobart Men's Soccer coach Shawn Griffin. "Our ultimate goal is to have all of our teams play the same system and style of play". Playing **Possession Soccer** & **Pressure Defense** will pay off in the long run even if it doesn't immediately get results at the younger levels. When players reach higher levels, the long ball approach (boom ball) will become ineffective. Possession & Pressure is our club identity.
