

BOOTERS NIP ST. VINCENT'S, 3-2

by Mike Joyce

The varsity soccer team ended its season at 3-7, dropping an encounter with Rochester Institute of Technology (RIT), but defeating St. Vincent's (Latrobe, Pa.), 3-2, in the finale.

The Bonnies had earlier defeated Alliance College 3-1 as seniors Mike Sutter and Pete Bonanno and juniors Ron Fodge each scored. Goalie Pete Kelly played a brilliant game and helped to preserve the win.

The Bonnies fell at RIT last Wednesday, 5-2, in a game played on a combination rain and snow-slicked field. Bonas completely dominated the first half and led 2-0, on goals by Mark Westerholt and Fodge. RIT did manage to score one before the half ended.

The area near the goal mouth became very muddy and maneuverability was difficult for goalie Kelly. As a result RIT pushed four goals across to win the contest.

nomination from the RIT coach.

Once again, it was Westerholt and Fodge who provided the scoring as the Bonnies edged St. Vincent's in the closing game of the season, scoring twice in the final five minutes.

St. Vincent's scored twice in the first half, while Fodge tallied once for the Bonnies. Westerholt added one more in the second half and then broke away for another shot. The goalie blocked it, then blocked Westerholt down on the rebound. A penalty kick was ordered and Fodge rammed it through for the deciding goal with one minute to go.

Coach Skehan said, "It was a whale of a game. It made the ten previous weeks of work worthwhile." The team started off slow but "after the Slippery Rock game, we really started to play as a team and played quality soccer the last few games," he added.

Bonnies Bow To Siena

by Jay Ziolko

Fourth-ranked in the national club football polls, Siena College bombed the Bona gridders, 28-13, last Saturday in Bradner Stadium. It was the Bonnies' fourth loss against one victory and a tie with only one game remaining.

The Bonnies scored first as Tom Liguori ran for a five-yard touchdown with 1:44 left in the first quarter to cap a 50-yard drive.

Undefeated Siena displayed an excellent ground attack, scoring 14 points in the second quarter. The Bonnies offense had an excellent chance to score in the last minute of the half, but four attempts from the Siena seven-yard-line proved fruitless.

Siena lengthened its lead, scoring twice in the third quarter. The Bonnies ended the scoring midway in the final quarter as quarterback Tim Bergen hit end John Morello with a 45-yard bomb.

Coach Conte said the turning point of the game occurred in the first quarter when the Bonnies were called for unnecessary roughness. The penalty allowed Siena to keep the ball when the Bonnies should have had it on the punt. Siena took advantage of the break and put together a long drive for a touchdown.

The Bonnies close out the inaugural season tomorrow at 2 p. m. against Rochester Institute of Technology (RIT). Coach Conte describes tomorrow's game as "even-steven." RIT was defeated by Niagara, 48-14, while the Bonnies also bowed, 44-13. A tough-running club, RIT, basically runs from an unbalanced line with a modified T formation.

Third Dev East won the League II regular season football championship when they defeated Third Dev West last week, ending the season with a 10-0-2 record.

League II playoffs will begin Monday afternoon as the champions play First Rob. Third Fal will take on either Third Rob or Second Fal. Second Dev plays the floor Third Fal doesn't. Fourth Dev East will wind up Monday's action against First Dev.

League I completed its regular season yesterday, but final results were not available at press time. Playoffs begin Tuesday.

In other intramural action, freshman Steve Saluga led Second Dev to the swimming championships during the week of October 28.

individual medley, 100-yard butterfly and 100-yard backstroke. Another freshman, Bill Brennan, took the 200-yard freestyle for Second Dev and junior Ed Flanagan won the 50-yard freestyle.

Winkler Leads Bona Runners In Split Meets

Coach Terry McFadden's varsity cross country team chalked up a Little Three win over Canisius College Oct. 19, but lost to Niagara Community College last Tuesday afternoon.

The Bonnies took first place and third to sixth positions in defeating Canisius by the near-perfect score of 19-42. Paul Winkler led the Bonnies with a time of 19:44.6 over the 3.7 mile course. Jim Maley followed in third at 20:06. The win boosted the runners' record to 4-2.

Niagara Community College downed the Bonnies 23-33 last Tuesday in what McFadden called "the best race of the season." Once again, it was Winkler who led the Bonnies with a fourth place finish at 23 minutes flat. Winkler battled for the lead through most of the 3.5 miles, but tired near the end.

First Rob won the 200-yard medley and the 200-yard free relay to take second in the competition.

Winners in the other three events were split up among three floors as John Barrett of First Fal won the diving, Matt Voight of Third Rob took the 100-yard breaststroke and Charlie Parsons of Fourth Dev East was first in the 100-yard freestyle.

Pocket Ball, a new activity on the I-M schedule, will begin next Tuesday in the Iota Delta Alpha fraternity room on Fifth Dev (west wing).
