

[RM BACKGROUND SCREENINGS] - Reminder that Valid SSNs are Mandatory for ALL Submissions

To ALL Club Administrators & RM Coordinators:

This System Message is a reminder that ALL Adult Club Members must include a valid Social Security Number (SSN) with their background application. This is a Mandatory Requirement and is Non-Negotiable or the Background Screening will be denied and the Applicant will have to re-submit with a new \$35 fee.

We have already had a number of applications rejected because of arbitrary SSN values entered into applications. The Background Screening Requirement page is very clear on this matter.
